LB 1105A, 1190

will be approximately \$6,000. It is a revolving fund and I would move the advancement of LB 1105A, the appropriations bill.

SPEAKER NICHOL: The question is the advancement of the A bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of the motion to advance the A bill.

SPEAKER NICHOL: The A bill is advanced. We will move on to 1190.

CLERK: Mr. President, 1190 was a bill introduced by the Appropriations Committee and signed by its members. (Read title.) The bill was read on January 22, referred to Appropriations. It was advanced to General File. There are committee amendments pending.

SPEAKER NICHOL: There are committee amendments pending. Senator Warner, did you wish to take up the amendments first or the bill?

SENATOR WARNER: Mr. President, essentially the amendment is a technical one and it adds the words "and fees". Originally I think it only said grants, and it is also for fees. It establishes the Cash Fund, general purpose Cash Fund, the kind of fees and grants that the Department of Social Services can collect. There could be a variety of private organizations that do provide funds, it is more in the nature of volunteer groups that...but they do collect funds to assist with some of the programs that the Department of Social Services has. And, secondly, it also will establish a Cash Fund because of legislation enacted in 1984 relative to child support that authorized the department to partially collect a collection fee for those that they were doing the work for to collect child support, and this covers some of the cost that is authorized under LB 8..., what was it, 884, anyway it was a bill passed in 1984. So I move adoption of the amendment, it only adds the word "fees". It was left out inadvertently.

SPEAKER NICHOL: The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. We are voting on the adoption of the committee amendments. Record, Mr. Clerk, please.
